Food Pantry Demands Soar During the Summer!

Perhaps you may not be aware, but nutrition for many of the children in our area comes only from their school programs. Therefore, during the summer months many food pantries regularly run out of supplies. Hopefully, God will lay it on your heart to purchase just one of the items below that are currently in short supply on our pantry shelves. With your help, we can address this sad situation of so many hungry people right in our own neighborhood.

Although the food pantry receives some items from the FoodBank, its major source of donations is you, the congregation. It is only by your generosity and support that the pantry is able to continue to serve those in need.

For more information on helping the food pantry with your donation or your time, please call Sue Lindstrom (732) 458-3897.
